----------------------	----

The Gainesville Community Reinvestment Area ("GCRA") was created in 2019 through the adoption of Ordinance 181001. The goal of the GCRA is to encourage investment in underserved areas within the district.

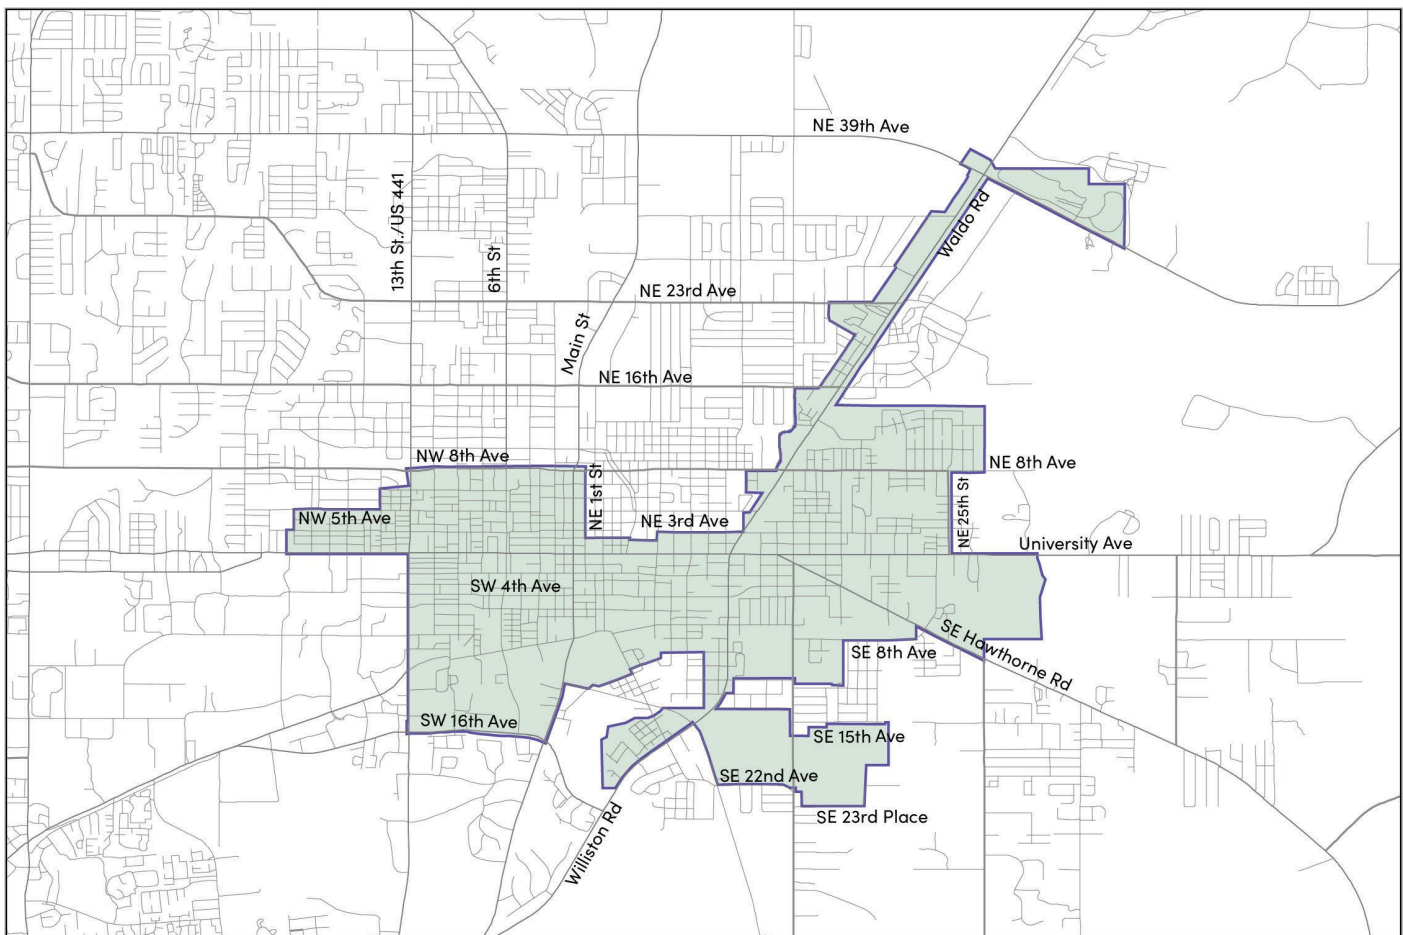

Section 1. About the Program

The Gainesville Community Reinvestment Area (GCRA), a Department of the City of Gainesville, is offering this Community Partnership Program (hereafter referred to as Program) to assist local community organizations with up to \$5,000 of matching grant funds to enable special programming within the GCRA District. Special events can raise awareness, encourage economic development, and a sense of community. This Program can work in concert with the City of Gainesville's Parks, Recreation, and Cultural Affairs (PRCA) Special Event Additional Support (SEAS) grant program to assist with renting indoor space at PRCA locations throughout the GCRA District.

The Community Partnership Grant Program is a Community Enhancements and Housing initiative identified within the GCRA 10-Year Reinvestment Plan. The goal of programs within this initiative is to benefit community members by maintaining the culture and population of an area. This Program also directly addresses goal three of the City of Gainesville's Strategic Plan - A Great Place to Live and Experience by supporting programs and activities for diverse cultures and ages.

Section 2. Eligibility Requirements

To be eligible, the event must be within the GCRA District. Addresses can be verified online at gainesvillecra.com/gcra-project-map/ or by calling (352) 393-8200.

Section 2. Eligibility Requirements (continued)

- Preference for funding is to registered 501(c)(3) or other not-for-profit organizations.
- For-Profit events are not eligible for the Program.
- The proposed special event must not conflict with the City's goals, core programs, and services.
- Program funding may be used for special event-related expenses such as advertising, entertainment, equipment rental, rental of facilities, and/or security. Other funding uses may be granted if deemed during the application review and approval process to be in the Program's spirit.
- The Applicant is encouraged to provide insurance documentation as part of the Application.
- The event must be free and open to the public.
- The event shall not have a predominantly religious or political purpose.
- The event shall not involve or allow discrimination on the basis of race, color, gender, age, religion, national origin, marital status, disability, gender identity, or sexual orientation.
- The event shall not promote the use of alcohol, tobacco products, illegal drugs or activities, gambling, or a sexually oriented business; or involve obscene or sexually explicit materials or content.
- If selected, Applicant must match award dollar for dollar, and other grant funding sources are NOT allowed to be used to match. Details of this information will be required to be supplied to the GCRA on the Community Grant Program Budget Form. Allowable matches are:
 - Cash
 - Volunteer hours at \$25.00 per hour
 - Donated or in-kind services or supplies (with receipt from donor)
- Upon receipt of the complete Application and the approval of the Gainesville Community Reinvestment Area Advisory Board, based upon the demonstrated need of the Applicant, the City, at its sole discretion, may disburse up to 20% of the awarded grant funds prior to the occurrence of the event. The Applicant accepts that if an initial disbursement is done and the event does not occur, the City of Gainesville will be repaid within one month or it may, at its discretion, put the debt out to a debt collection agency.

Section 3. Application Process

- Applications will be accepted twice a year for review.
- The GCRA will review all applications submitted prior to the deadline and will advise applicants if they need to correct or complete said Application. Applications submitted on the day of the deadline must be complete, or they will not be considered in that round of grants.
- The GCRA will, after the respective deadlines of December 1 and June 1, review the completed applications internally and rank them. The proposed event must positively impact the GCRA Community (worth one point and is required), and the Application aligns with at least one of the City's strategic goals (as listed in section B, worth one point per relevant goal as deemed by GCRA staff). Applications earning at least two points will be referred to the Gainesville Community Reinvestment Area Advisory Board (GCRAAB). This

Section 3. Application Process (continued)

will be placed on the agenda in the respective months of January and July for final approval. The board will review the applications and assign two points to one of the applicants. The points will then be added to the tabulation, and the highest-ranked Applicant will then be announced to GCRAAB.

- \$10,000 per application window will be available of funding. The top-ranked event will be fully funded up to the maximum of \$5,000, and the remaining applications will share the balance of the remaining \$5,000 in grant funds. For example, if Applicant A applies for \$5,000 and is the top-ranked Applicant, they would receive the \$5,000 grant. If four other applicants also applied for \$5,000 each and met the minimum score, they would each be able to receive $(\$5,000/4) = \$1,250$ of grant funds. In the event that the top-ranked event is not seeking the full \$5,000, the balance will be applied to the secondary requests meeting the minimum requirements. In the event that the requested funds in the secondary pool of \$5,000 are not utilized by the approved events, the remaining funds will roll over to the next six-month window.
