City of Gainesville GCRA Downtown Events Program Expense & Reporting Form	15
------------------------------------------------------------------------------	----

The Gainesville Community Reinvestment Area ("GCRA") was created in 2019 through the adoption of Ordinance 181001. The goal of the GCRA is to encourage investment in underserved areas within the district. The Downtown Advisory Board was created in 2024 by the City Commission through Resolution 2024-244.

Section 1. About the Program

The Gainesville Community Reinvestment Area (GCRA), a Department of the City of Gainesville, is offering this “Downtown Event Program” (hereafter referred to as “Program”) to assist organizations and businesses with up to \$5,000 of grant funds to enable event programming within Downtown Gainesville. Please see Exhibit 1 for a map of the area where GCRA funding can be spent for this Program. Events can raise awareness, encourage economic development, and a sense of community.

This Program can also work in concert with the City of Gainesville's Parks, Recreation, and Cultural Affairs (PRCA) Special Event Additional Support (SEAS) grant program to assist with renting space at PRCA locations throughout Downtown Gainesville, such as Bo Diddley Plaza, Sweetwater Park and Depot Park. This Program will be implemented on a limited basis until such time that the City creates a permanent replacement program that has been reviewed by the Downtown Advisory Board and approved by the City Commission. The allocation from GCRA’s Downtown Strategic Plan budget to this temporary program was originally \$50,000. The City Manager, following the approved Program, authorized the release of an additional \$20,000 of funds for events through December 31, 2024. The City Manager, following the approved Program, released the final \$30,000 of funding and extended the Program through June 30, 2025.

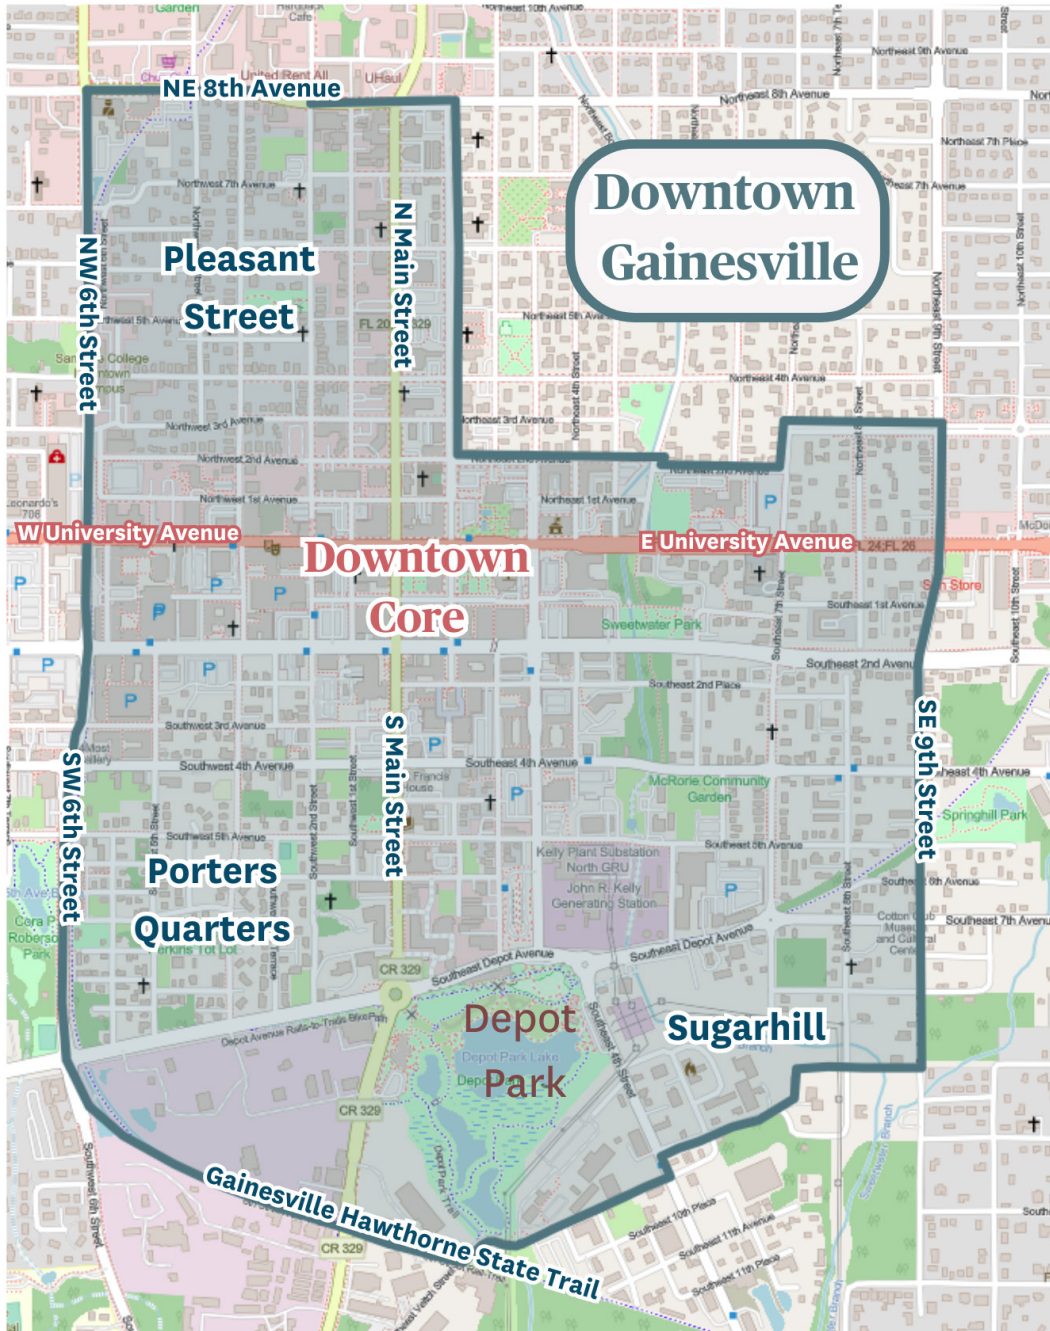

The rationale, process, and funding award levels for the “Program” are based on the GCRA’s “Community Partnership Grant Program”, which is a Community Enhancements and Housing initiative identified within the GCRA 10-Year Reinvestment Plan. The goal of programs within this initiative is to benefit community members by maintaining the culture and population of an area. The “Community Partnership Grant Program” also directly addresses goal three of the City of Gainesville's Strategic Plan - A Great Place to Live and Experience by supporting programs and activities for diverse cultures and ages. The Downtown Event Program is consistent with and implements the goals of the GCRA 10-Year Reinvestment Plan and the Strategic Plan.

Section 2. Eligibility Requirements

To be eligible, the event must be within Downtown Gainesville as identified in the Exhibit 1 map. Location eligibility can be verified by calling (352) 393-8200.

The Applicant accepts that if the approved event does not occur for any reason, the Applicant shall return and repay the City for any disbursement made by the City to the Applicant.
